

IT SUPPORT
AGREEMENTS

ARE YOU HAPPY WITH YOUR IT GUY?

YOU REST, WE DON'T

Our team is aggressively proactive, we will be here for you at 2 a.m. or in the middle of a snowstorm, working behind the scenes to prevent network outages, system failures and downtime.

GETTING BACK TO BUSINESS

Charles IT's support agreements give you the ability to focus on what matters most, your business. We will act as your virtual CIO, planning and managing your IT projects, as well as providing you with a dedicated procurement team to help you with hardware and software recommendations along the way.

Proudly serving some of Connecticut's best companies and organizations...
