

## VIRTUAL CHIEF SECURITY OFFICER

# YOU JUST GOT RANSOMWARE, NOW WHAT?

## CYBER THREATS ARE CONTINUOUSLY EVOLVING YOUR SECURITY POSTURE SHOULD BE TOO

With Charles IT's virtual Chief Information Security Officer service, you have a dedicated team focused on your organization's security posture. From internal risks, external risks and determining where your gaps are. Let us protect you from potential fatal business impact.

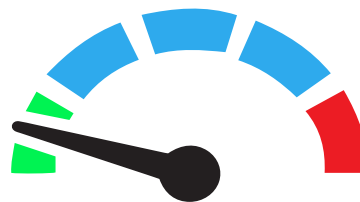

## STAY ON TOP OF COMPLIANCE SECURITY REQUIREMENTS

Compliance is critical when our business and contracts ultimately rely on meeting the requirements. Charles IT's vCISO will work with you every step of the way, ensuring you are implementing compliant solutions and updating your POAM & SSP's.

## ANNUALLY ASSESS RISK

Our vCISO will work with your team to ensure that the changes you make internally, as well as, externally fit within your desired risk appetite and can recommend solutions to adhere to risk tolerance.

## OH, NO AUDITORS ARE HERE

Surprise investigation? Required annual audit? Our vCISO will act as the liaison between your team and the auditors to ensure that they have everything they need, so you can focus on your business.
